ABF-CAL-LTR-000839

Mr. Gary Pursell
Resident Engineer
California Department of Transportation
333 Burma Road
Oakland, CA 94607

PROJECT: San Francisco Oakland Bay SAS Bridge Superstructure
Caltrans Contract No. 04-0120F4
ABF Job No. 660110

SUBJECT: CTLLC Weekly Updates for East End Detailing

Gentlemen:

Further to American Bridge / Fluor Enterprises, Inc., A Joint Venture (ABFJV) Letter No. ABF-CAL-LTR-000576 dated July 2, 2008, wherein ABFJV advised the Department that ABFJV directed Candraft-Tensor LLC (CTLLC) to proceed with the balance of the detailing services for Lifts 12 through 14 (East and West Bound) through Segment Assembly Drawings on a "time and material" basis in order to expedite completion of this detailing, ABFJV provides the Department herewith the weekly update of CTLLC's time expended. Please find attached CTLLC's weekly time summary and timesheets as well as ABFJV employee Mike Mantil's time for the period of February 21 – 27, 2009. In addition, ABFJV Letter No. ABF-CAL-LTR-000762 established that ABFJV will provide the Department with a weekly listing of problems encountered by CTLLC on East End OBG Detailing. ABFJV hereby submits CTLLC's list of problems for the week ending February 27, 2009. Furthermore, ABFJV Letter No. ABF-CAL-LTR-000651 advised the Department that ABFJV will provide weekly a summary of new and outstanding changes being tracked by CTLLC. ABFJV hereby submits CTLLC's latest Change Order Summary for East End OBG Detailing, dated March 3, 2009.

For informational purposes, please note that the ripple effects of changes, such as additional work, inefficiencies, interferences and disruptions, resulting from the numerous modifications on the East End Work cannot, with any degree of certainty, be allocated to particular identifiable Contract Change Orders. Thus, the attached CTLLC Weekly Time Summary's line item "Total Hours worked on additional RFI changes to East end detailing work that were not contemplated in the east end detailing scope of work at the time of issuance of SCO 54, SCO 062, and SCO 065" represents the direct CTLLC detailing man-hours for Work outside the scope of SCO 54, SCO 62, and SCO 65. The CTLLC work hours listed in this line item are not all inclusive and do not represent the entirety of the time and cost impacts encountered by CTLLC or others. Further, the time summaries do not include changes to existing Approved or incomplete Shop Drawings resulting from current RFI responses.

Upon your review of the attached, should you have any questions or wish to discuss this matter further, please contact our office.

ABF-CAL-LTR-000839

258	Approval review/clarification - For 12W			
259	Approval review/clarification - For 12E			
260	Approval review/clarification - For 14W			

Week Ending Feb. 27/09

Problems encountered this week:

1. Still waiting for answers/direction for outstanding questions and issues with the anchorage.
2. There will be a negative schedule impact to remaining 13W and 14E/14W drawings due to some of the crew being directed to now work on Approvals for 12W.
